# MUSIC INSPIRES SPIRIT!

The spirit is found in certain inside quotes of the year such as: "Face me Face" from Drum Major Terry Salois; from "Band will prepare to play" from T.J. Reid, Ass't, Drum Major; as well as from Band President Linda Bernal tuning the Concert Band on stage over and over while waiting for Ass't. President and lead trumpeter George Griffin to find his music. Finally, from the long hours of practice that produce a Band togetherness, win or lose despite losing members at the last minute, and losing competition, the spirit survives.

With entertainment, imagination, and talent as their chief concern the Drama Club had a very pleasing year.
